About the Organizers

 <p>BRBC A BIRAC - Venture Center Initiative</p>	<p>BRBC is a resource intensive center set up by BIRAC at Venture Center. Through its diverse initiatives, BRBC aims to significantly impact the translation of high quality innovative ideas across diverse ecosystems into viable and sustainable business enterprises. BRBC Initiatives: Venture Mentoring Service; Venture Base Camps; Regulatory Information and Facilitation Center; BioIncubation Practice School.</p> <p>More on: http://www.brbc.venturecenter.co.in/</p>
 <p>RIFC</p>	<p>The Regulatory Information and Facilitation Center (RIFC) is a joint initiative of the Venture Center and BIRAC under the BIRAC Regional Bio-Innovation Center (BRBC) program. The RIFC aims to assist bio-entrepreneurs in planning, seeking and securing regulatory approvals. The RIFC plans to achieve this by providing information in an entrepreneur-friendly manner, providing access to experts and regulators, providing access to practical insights from other entrepreneurs, providing services and organizing relevant and useful events.</p> <p>More on: http://rifc.venturecenter.co.in/</p>
 <p>PSG INSTITUTE OF MEDICAL SCIENCES & RESEARCH HEALTH HAPPINESS</p>	<p>A teaching hospital and research institute focuses on promoting cutting-edge, state-of-the-art, socially relevant biomedical research. Our faculty and students work in a cordial and collaborative manner to develop medical devices and tools that can be practiced in a human-setting and can create an impact in the society. The Center for Biomedical Innovations (CBMI) at PSG IMS&R enables co-creation between startups, academia and healthcare industry with the right kind of clinicians, researchers and patients. The Center shall lay the methodical way of handling risks and uncertainties to achieve rapid and continuous translational innovation – from identification of needs and opportunities to clinical and commercial full-scale implementation.</p> <p>For more information on PSG IMS & R: http://www.psgimsr.ac.in/</p>

	<p>PSG College of Technology, in the year 1998, established PSG-Science & Technology Entrepreneurial Park (PSG-STEP) – the incubation center of PSG Tech with the support from National Science & Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology, Government of India. To promote and accelerate entrepreneurship, PSG-STEP extends various support to startups/innovators through the initiatives such as capacity building training programs, mentoring support, funding support, networking with other agencies, participations in national & international challenges and access to lab facilities of the institution.</p> <p>For more information on PSG-STEP: http://www.psgstep.org/</p>
