About the Mentor

Prof. Satyajit Majumdar, Professor and Chairperson of Center for Social Entrepreneurship of the School of Management and Labour Studies, Tata Institute of Social Sciences (TISS), Mumbai

He has graduated in Electrical and Industrial Engineering, and later obtained post-graduate degree in Management, Applied M. Phil. and PhD. He is also a Fellow of Institution of Engineers (India). In his current position at TISS, Mumbai, he teaches social entrepreneurship, strategic management, strategic human resource management, growth and technology strategy, corporate social responsibility and service operations management. With more than 33 years of experience, he is also consultant and corporate trainer in these fields and mentors entrepreneurs and start-up organizations. He has been actively engaged in expert groups at national and international levels to provide guidance in academic program design and implementation including teaching and research, skill development, entrepreneurship development, livelihood creation and micro and small business management. In 2009, he was conferred Galpin International Research Fellowship by the Quinnipiac University, USA. Satyajit has many research papers and award winning case studies to his credit, published in national and international journals and edited volumes. His research interest area is growth strategy in entrepreneur managed small and medium business organization and strategic CSR.

About the Organizers

BIRAC Regional Bioinnovation Centre (BRBC) is the third regional centre of BIRAC and is located in Venture Center. BRBC aims to fill up key innovation ecosystem gaps for bio-based industry sectors and thus significantly impact the translation of high quality innovative ideas into viable and sustainable business enterprises. Some key BRBC initiatives are Venture Mentoring Service; Venture Base Camps; Regulatory Information and Facilitation Centre; Bio Incubation Practice School
