ISO 13485:2016 Medical Devices Quality Management

(Tue – Thurs) | 17 - 19 September 2019 | Time: 9 am – 6 pm
Training room @ Venture Center, 100 NCL Innovation Park, Pune

Focusing on

Aims to de-mystify QMS audit requirements and help startups chart out an Internal Audit Plan for their company in 3 days.

Workshop Highlights

- Gain a better insight into the use of ISO 13485:2016 as the basis for a Quality Management System (QMS) implemented by medical device manufacturers.
- Learn how to audit the processes of an ISO 13485:2016 Quality Management System (QMS). This course provides guidance and practical experience in planning, executing, reporting and audit follow-up of an internal audit when monitoring the effectiveness and conformity of an ISO 13485:2016 compliant QMS. ***Camp will be conducted by a senior auditor from BSI Training Academy, India.***
