About the Speaker/ Mentor

Dr. Anant Bhan

Researcher, Bioethics, Global Health, Health Policy. President, International Association of Bioethics

Dr. Anant Bhan is trained as a medical doctor with a masters' degree in bioethics from the University of Toronto. He is an Adjunct Visiting Professor at the Centre for Ethics, Yenepoya University, Mangaluru, India and serves as the lead for the Bhopal hub for Sangath (www.sangath.in), one of India's leading health research organizations. In the past, he has worked for NGOs and a government public health training institution in India, as well as a consultant to a project on Ethical, Social and Cultural issues in health biotechnology based at the University of Toronto, and as Senior Manager with the International AIDS Vaccine Initiative in their India Regional Office. Dr. Anant has been a resource person for trainings in global health, research methodology, research ethics and public health ethics, and also serves as guest faculty in various educational institutions in India and abroad. Anant was a member of the Working Group set up to revise the 2002 CIOMS International Ethical Guidelines for Biomedical Research involving Humans, and a sub-committee involved in revising the 2006 ICMR Ethical Guidelines for Biomedical Research on Human Subjects. He serves on the Steering Committee of the Global Forum on Bioethics in Research, and is the President of the International Association of Bioethics
