Session Description

The session began with an overview to Venture Center and the National Funding Landscape by Dr. Smita Kale and was followed by Dr. Tandon's talk. The event concluded with an entrepreneur panel with Geethanjali Radhakrishnan (Aduvo Diagnostics) and Dr. Anuya Nisal (Serigen Mediproducts), both successful BIRAC grantees as panelists sharing their tips and pointers on winning the grant. The entrepreneur panel was moderated by Dr. Premnath V.

The event received an overwhelming response with over 100+ participants.

Nice program needed more help on BiG Birac

Keep such session before closing of the call date .

It's all good

Its great to receive webinar on fundamentals to novelty

It was an wonderful session.

Helped me understanding the concept better, will help a lot

Excellent

Informative session

Overall Feedback: 6.3/7
