About Venture Base Camp

- Venture Base Camps are focused theme based workshops that aims to help startups and entrepreneurs achieve specific and key goals in their company.
- Sessions include classroom learning, workshop activities, working under guidance of mentors and finally reaching tangible action points and documents.

The VBC will have three tracks:

| | | |
|---------|--|---|
| TRACK 1 | In-Licensing; Clarity in ownership clarity; FTO | Early stage startups inducting technology into their company. Companies planning collaborations. |
| TRACK 2 | IP portfolio planning and IP landscaping | Companies/innovators in the middle of their POC and prototyping work (early TRL levels) who are thinking through their IP strategy and planning their IP portfolio. |
| TRACK 3 | Out-licensing, technology transfer and valuation | Companies/ innovators at higher TRL levels planning on out-licensing their technology or planning a technology sale. |
