Mentors	
 <p>Dr. Satya Dash</p>	<p>Dr. Satya Dash Director Global Innovations, Impact Lab at PATH</p> <p>Dr Dash holds triple masters from Leicester (UK), Cambridge (UK) and Sambalpur (India) and a PhD from University of East Anglia, UK.</p> <p>His interests lie in the interface of government, public agencies, industry & the third sector. His work is focused on national & global science and bio-science policy, strategies for 'business of science', design, understanding & navigating non-linear & complex systems, influencing & impacting political will. I'm passionate about both S&T strategy & importantly its implementation & outcomes.</p> <p>Mr. Dash has authored the blueprint (titled: Indian Biotechnology: The Roadmap to the Next Decade & Beyond) of the Indian Biotechnology 2025 Roadmap at the behest of Department of Biotechnology, Government of India which was published in 2012.</p> <p>Prior to PATH, Dr. Dash was Head Strategy Partnerships & Entrepreneurship Development at Biotechnology Industry Research Assistance Council (BIRAC), the nodal Indian biotech innovation agency. During his time at BIRAC, he contributed immensely to changing the landscape of biotech and lifescience entrepreneurship in the country with the conceptualization and introduction of various high-impact entrepreneurship schemes and programs.</p>

About the Organizers	
	<p>BIRAC Regional Bio-Innovation Center (BRBC) is a resource intensive center set up by BIRAC at Venture Center. Through its diverse initiatives, BRBC aims to significantly impact the translation of high quality innovative ideas across diverse ecosystems into viable and sustainable business enterprises.
