### Mentor Profile

#### Dr. Shona Nag Medical Oncologist

One of Pune's best breast cancer specialists and medical oncologist, Dr Shona Nag is known for her work in women's health – especially breast cancer and cervical cancer. With over 27 years of practise, Dr Shona Nag, who studied medicine in Pune's BJ Medical College, followed by an oncology fellowship at Tata Memorial Hospital in Mumbai, has made it her mission to encourage everyone to understand cancer better, particularly women. Currently the director, oncology at Sahayadri Group of Hospitals in Pune, Dr Shona Nag has been instrumental in helping patients navigate cancer better by also looking at pushing for new facilities and better care. Be it via launching the First Breast Care Unit in Pune in 2016, or a fully equipped day-care for chemotherapy or even being the first hospital to receive the scalp cooling machine. Dr Shona Nag has also converted the Nag Foundation set up by her mother-in-law Surabhi Nag into one focused on cancer treatment, prevention and care. Dr Shona Nag has also been awarded for her work in cancer research. She received the ISCR award in 2010 for the best research site and the GSK-ERI award for ethnic research in breast cancer along with her colleague Dr Sudeep Gupta from Tata Memorial Hospital in Dec 2009.

### About the Organizers

**BIRAC Regional Bioinnovation Centre (BRBC)** is the third regional centre of BIRAC and is located in Venture Center. BRBC aims to fill up key innovation ecosystem gaps for bio-based industry sectors and thus significantly impact the translation of high quality innovative ideas into viable and sustainable business enterprises. Some key BRBC initiatives are Venture Mentoring Service; Venture Base Camps; Regulatory Information and Facilitation Centre; Bio Incubation Practice School
