**| Report on Mentor Mixer on Advancing your technology with BIRAC’s Innovation Funding Program | 01 Nov 2021 |**

**After the session by Dr. Sonali Tondon two breakout rooms were created:**

Track 1 For Startups: Panel discussion with BIRAC fund grantees where there was a Panel discussion moderated by Dr. Smita Kale where participants interacted with startup founders to understand real life experiences while applying for BIRAC grants.

Track 2 For Academics: This session was moderated by Dr. Premnath V. Dr. Rathna from NCL was part of this discussion where she shared her experiences for applying for BIRAC-PACE-AIR/CRS Grant. Participants interacted Dr. Rathna & Dr. Premnath to understand types of grants & their criteria that are available for application by academicians.

**Feedback & Evaluation**
